

# Certificación

I certify that I:

- Have read and considered all pretraining material and have completed my self-assessment.
- Am familiar with and willing to participate in the El Jardín simulation by considering what would help, what strengths exist and what best practice might look like in El Jardín.
- Am committed to open and on-going self-assessment of strengths, attitudes, and biases.
- Am open to using dialog and feedback as a means of building understanding by going beyond generalizations and avoiding stereotyping.
- I am committed to culturally responsive practice and to future learning.
