Child Welfare Information Gateway provides access to timely, practical resources that help child welfare, adoption, and related professionals protect children and strengthen families. Information Gateway is a service of the Children's Bureau within the Administration for Children and Families of the U.S. Department of Health and Human Services. It provides access to information on the following:

- Family-centered practice
- Preventing and responding to child abuse and neglect
- Supporting and preserving families
- Out-of-home care
- Achieving and maintaining permanency
- Adoption
- Management and supervision
- Systemwide issues
