Jefferson County Community Resource Fair

80 Community Serving Agencies Offer Information

Tuesday, June 12th from 1-7 p.m. at Jefferson High School

Jefferson County – The 2nd annual Community Resource Fair is happening at Jefferson High school this year, located at 2305 Pierce Street, in Edgewater on Tuesday, June 12 from 1-7 p.m.

The Community Resource Fair is an opportunity for residents, professionals and businesses in Jefferson County to provide and receive information about resources available in the community.

The Community Resource Fair is free for everyone!

80 community agencies from in and around the Jefferson County area will be present to provide information and answer questions regarding their services. The community agencies will be from the following areas: Child & Family Services, Adult Services, Cultural Services, Basic Needs Services and Health & Wellness. In addition to the agency information, there will be a variety of cultural performances provided throughout the day as well as door prizes, giveaways and

refreshments. New this year, will be a Kids Corner that will provide story time, face painting and activities for parents to do with their children.

The Community Resource Fair is being organized by the staff of the Systems of Care Grant in Jefferson County, although many other community agencies have volunteered their time and contributed finances to make the Community Resource Fair productive and cost efficient for all.

We look forward to seeing you there!
