COMMUNITY PARTNERSHIP INITIATIVE (CPI)	CRADLE staff lend our expertise and lessons learned via our participation in this ACS initiative focused on 4 specific child welfare goals	<p>To infuse System of Care guiding principles into the implementation work of the CPI</p> <p>To incorporate and document relevant CRADLE lessons learned into any reports that the Bed-Stuy CPI creates and provides to ACS. This info will inform the ACS RFP process for preventive services going forward.</p>	Assign staff to various aspects of the CPI work so that SOC is fully represented	<p>- The CPI coalition in Bed-Stuy adopted the SOC principles as a guideline for the implementation of its identified goals</p> <p>- Each staff member was assigned to one of the 4 CPI goals which led to a lot of sharing of lessons learned that informed the strategic planning process</p> <p>- CRADLE's pre-existing</p>	Yes. Staff will work on assigned CPI goals through end of project.	All staff.

				partnerships with community residents and ACS child protective staff led to diverse representation from both – this also greatly informed the strategic planning process
